The Legend of Master Chief

Scooby is a dancing dog. Shaggy is a guy that runs into walls. They are on Earth. They are in the future. One day Scooby and Shaggy are hungry. Scooby and Shaggy are hungry, and they smell food. They follow the smell into a space ship, and it takes off. Then they find out it is Master Chief's ship. Master Chief is a bad robot. Master Chief looks like a ball. It is made of metal, and it floats. It has a screen to look through. Master Chief is going to destroy the Earth. Scooby and Shaggy find out Master Chief is going to destroy the earth with lasers and missiles. They find out Master Chief has a big army. They find out Master Chief is dangerous. Master Chief finds out Scooby and Shaggy are sneaking around his ship. Master Chief finds out Scooby and Shaggy are going to eat his army's food. Master Chief wants to kill them because they ate his army's food. They have a battle. Scooby licked Master Chief's screen so he couldn't see

and Shaggy kicked Master Chief screen and it cracked and shut off. Now they have to blow up Master Chief's ship. They see a computer. It says, "Please enter code" . They don't want to find the code so they go to get some food. They take a cake and they find a folded piece of paper on the bottom of the plate. It has the code so they go back to Earth. They put the code in the computer and they ran out of the ship. The ship goes "Ka-Boom"! Scooby and Shaggy save the earth. The End
